Good Morning Director Benedon:

Can you please verify the comments below by Natalie Reyes?

Has the OpenCommonwealth.org Dropbox been blocked by either your office, the AGO's office or otherwise?

Kindest Regards

We received your request for review. This complaint does not seem to be numbered as the others are. Do you wish to number this one?

Thank you,

Greetings:

We are unsatisfied with this response.

This is just the latest example of the willful and intentional behavior of the Public Body as it relates to OML and their willful disregard for both the OML and the previous determinations of the Division.

We request that the Division investigate, determine, find and fine the Public Body for intentional violation of the OML and previous determinations.

Regards,
